April 29, 2016

Dear Stockholders:

On behalf of the Board of Directors, I am pleased to invite you to the Annual Meeting of Stockholders of Spanish Broadcasting System, Inc. (“SBS”). The meeting will be held on Wednesday, June 8, 2016, at the Pablo Raúl Alarcón Media Center, 7007 NW 77th Avenue, Miami, Florida 33166 at 12:00 Noon, Eastern Daylight Time (the “Annual Meeting”).

At the meeting, holders of our Class A and Class B common stock, will be asked to vote: (1) on the election of six members of the Board of Directors (the “Common Stock Directors”) to serve until our next annual meeting of stockholders or until their respective successors are elected and qualify; and (2) to approve, on an advisory basis, the compensation of our named executive officers.

The Board of Directors recommends a vote (1) “FOR” the election of each of the Common Stock Directors nominated to the Board and (2) “FOR” approval, on an advisory basis, of our executive compensation as described in this proxy statement. The proposals are described in detail in the attached Notice of Annual Meeting of Stockholders and Proxy Statement, which you are encouraged to read fully. We will also consider any additional business that may be properly brought before the Annual Meeting.

At our 2014 Annual Meeting of Stockholders, holders of our Series B preferred stock elected two directors to the Board of Directors, pursuant to the Certificate of Designations governing the rights of the Series B preferred stock (the “Preferred Stock Directors”). The Preferred Stock Directors serve at the pleasure of the Series B preferred stockholders until such time that they resign, are replaced, or otherwise vacate the directorship or until the Series B preferred stockholders are no longer entitled to elect directors. Thus, they are not required to be voted upon at the Annual Meeting.

The Board of Directors has fixed the close of business on April 11, 2016 as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting and at any adjournments or postponement thereof.

Your vote is important regardless of the number of shares you own, and we strongly encourage you to participate by voting your shares whether or not you plan to attend the Annual Meeting.

We intend to begin mailing the attached notice of the Annual Meeting, this Proxy Statement with an accompanying proxy card and our Annual Report on Form 10-K for the year ended December 31, 2015 (the “Annual Report”), on or about April 29, 2016. We encourage you to read the Annual Report. It includes information on SBS’s operations and markets, as well as SBS’s audited consolidated financial statements.

We look forward to seeing you at the Annual Meeting and appreciate your continued support.

Sincerely,

A handwritten signature in black ink, appearing to read 'Raúl Alarcón', written over a horizontal line.

PROXY STATEMENT

General

The Board of Directors (the “Board”) of Spanish Broadcasting System, Inc., a Delaware corporation (“SBS” or the “Company”), is soliciting proxies for the annual meeting of stockholders to be held on Wednesday, June 8, 2016, at our principal executive offices, the Pablo Raúl Alarcón Media Center, 7007 NW 77th Avenue, Miami, Florida 33166, at 12:00 Noon, Eastern Daylight Time (the “Annual Meeting”). We are furnishing you with a Proxy Statement because you own shares of our common stock that entitle you to vote at the Annual Meeting. By use of a proxy, you can vote on the Proposals (as discussed below), whether or not you attend the Annual Meeting. We intend to begin mailing the attached notice of the Annual Meeting, this Proxy Statement with an accompanying proxy card and our Annual Report to our stockholders, on or about April 29, 2016. The Proxy Statement describes the matters we would like you to vote on and provides information on these matters so you can make an informed decision. All references in this Proxy Statement to “we,” “our,” or “us” refer to SBS. On June 6, 2014, holders of our Series B preferred stock elected two directors to the Board of Directors, pursuant to the Certificate of Designations governing the rights of the Series B preferred stock (the “Preferred Stock Directors”). The Preferred Stock Directors serve at the pleasure of the Series B preferred stockholders until such time that they resign, are replaced, or otherwise vacate the directorship or until the Series B preferred stockholders are no longer entitled to elect directors. Thus, they are not required to be voted upon at the Annual Meeting.

Annual Meeting Admission

Only stockholders are invited to attend the meeting. An admission ticket or proof of ownership of our stock, along with personal identification, must be presented in order to be admitted to the Annual Meeting. If you are a stockholder of record, you may bring the top portion of the proxy card as proof of ownership. If your shares are held in the name of a bank, broker or other holder of record, you must bring a brokerage statement or other proof of ownership with you to the Annual Meeting, or obtain an admission ticket in advance. If you do not provide photo identification or comply with the other procedures outlined above, you will not be admitted to the Annual Meeting.

No cameras (including cell phone cameras), recording equipment, electronic devices, large bags, briefcases, or packages will be permitted in the Annual Meeting.

Purpose of the Annual Meeting

The purpose of the Annual Meeting is to:

1. have the holders of Class A and Class B common stock vote on the election of six members of the Board of Directors (the “Common Stock Directors”); and
2. conduct an advisory vote on executive compensation.

No matters other than those referred to above are presently scheduled to be considered at the Annual Meeting.

Recommendations of Our Board of Directors

Our Board of Directors recommends that you vote your shares as follows:

1. “FOR” the election of the six Common Stock Directors on our Board to serve until our next annual meeting of stockholders or until their respective successors are elected and qualify (**PROPOSAL 1**); and
2. “FOR” approval, on an advisory basis, of the compensation of our named executive officers as described in this Proxy Statement (**PROPOSAL 2**).

Votes Required with Respect to each Proposal

Proposal 1 — Election of Common Stock Directors — The six nominees for election as directors at the Annual Meeting by the Class A and Class B common stock will be elected by a majority of the votes cast of the Class A and Class B common stock at the Annual Meeting.

Proposal 2 — Advisory Vote on Executive Compensation — The affirmative “FOR” vote of a majority of those shares present in person or represented by proxy at the meeting and entitled to vote on the matter is required to ratify this and all other proposals properly brought before the Annual Meeting.

Holders of common stock who abstain will be considered present at the Annual Meeting for quorum purposes, but their votes will not be counted as affirmative votes. Abstaining, therefore, will have the practical effect of voting against the Proposal because the affirmative vote of a majority of the shares present at the Annual Meeting and entitled to vote with respect to these matters is required to approve such proposal. A “broker non-vote” occurs when a bank, broker, or other holder of record holding shares for a beneficial owner does not vote on the Proposals because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. “Broker non-votes” are counted for the purpose of determining whether a quorum exists. There is no cumulative voting for the election of directors.

Stockholders Entitled to Vote and Voting Methods

Stockholders of Record

All stockholders of record of our Class A common stock, par value \$0.0001 per share (the “Class A common stock”) and Class B common stock, par value \$0.0001 per share (the “Class B common stock”), at the close of business on April 11, 2016 (the “Record Date”), are entitled to receive notice and to vote at the Annual Meeting on each matter properly brought before the meeting.

If your shares are registered directly in your name with our Transfer Agent, Broadridge Corporate Issuer Solutions, Inc., you are considered the stockholder of record of those shares and these proxy materials are being sent directly to you by us. If you are a stockholder of record of common stock, you have the right to grant your voting proxy directly to us or to vote in person at the meeting on each matter properly brought before the meeting. You may also vote on the Internet or by telephone, as described below.

The Internet and telephone voting procedures are designed to authenticate holders of common stock by use of a control number and to allow you to confirm that your instructions have been properly recorded. If you vote by telephone or on the Internet, you do not need to return your proxy card. Telephone and Internet voting for stockholders of record will be available 24 hours a day, until 11:59 p.m. (Eastern Daylight Time) on June 7, 2016.

- **VOTE BY INTERNET** — www.proxyvote.com — If you have Internet access, you may submit your proxy from any location 24 hours a day, 7 days a week. Have your proxy card when you access the website and follow the instructions to obtain your records and to create an electronic voting instruction form.
- **VOTE BY TELEPHONE** — 1-800-690-6903 — You may use any touch-tone telephone to vote your proxy, toll-free, 24 hours a day, 7 days a week. Have your proxy card in hand when you call and then follow the instructions.

- **VOTE BY MAIL** — You may do this by signing your proxy card and mailing it. If you provide specific voting instructions, your shares will be voted as you instruct. If you sign, but do not provide instructions, your shares will be voted as the Board recommends. Vote, sign, and date your proxy card and return it in the postage-paid envelope provided, so that it is received by June 7, 2016 to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717.

Shares Held with a Broker, Bank, Trustee or Other Nominee

Most of our common stockholders hold their shares through a stockbroker, bank, trustee, or other nominee rather than directly in their own name. If your shares are held in a stock brokerage account, by a broker, bank, trustee, or other nominee, you are considered the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by your broker, bank, trustee, or nominee who is considered the stockholder of record of those shares. As the beneficial owner, you have the right to direct your broker, bank, trustee, or nominee on how to vote and are also invited to attend the meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the meeting. Your broker, bank, trustee, or nominee is obligated to provide you with a voting instruction card for you to use. You will receive a form from your broker, bank, trustee or other nominee seeking instructions as to how your shares should be voted. We urge you to complete the form and instruct your broker, bank, trustee or other nominee to vote on your behalf.

General Information Regarding Voting

At the close of business on the Record Date, there were 4,166,991 shares of Class A common stock outstanding and entitled to vote and 2,340,353 shares of Class B common stock outstanding and entitled to vote. Stockholders are entitled to one vote for each share of Class A common stock they hold and ten votes for each share of Class B common stock they hold. Shares of Class A common stock and Class B common stock may not be voted cumulatively. The Class A common stock and the Class B common stock are entitled to 4,166,991 and 23,403,530 votes, respectively.

All shares of common stock that have been properly voted and not revoked will be voted at the Annual Meeting. Voting instructions for the common stock are included on your proxy card. If you properly submit your proxy by telephone, the Internet or by mail in time for it to be voted at the Annual Meeting, one of the individuals named as your proxy, each of whom is one of our officers, will vote your shares as you have directed. **If you submit your proxy by telephone, the Internet or by mail, but do not indicate how your shares are to be voted, your shares will be voted: (1) “FOR” the election of the Common Stock Directors, (2) “FOR” approval, on an advisory basis, of our executive compensation as described in this proxy statement; and (3) in accordance with the best judgment of the named proxies on other matters properly brought before the Annual Meeting.**

Our Board of Directors has no knowledge of any matters that will be presented for consideration at the Annual Meeting other than those described herein. The named proxies will also have discretionary authority to vote upon any adjournment or postponement of the Annual Meeting, including for the purpose of soliciting additional proxies.

If you are a holder of common stock, and even if you plan to attend the Annual Meeting, we recommend that you vote your shares in advance as described below so that your vote will be counted if you later decide not to attend the Annual Meeting. Please refer to the summary instructions below and those included on your proxy card or, for shares held in street name, the voting instruction card included by your broker or nominee.

Quorum

A “quorum” of stockholders is necessary to hold the Annual Meeting. The presence, in person or represented by proxy, of the holders of a majority of the aggregate votes entitled to be cast by the Class A

common stock and Class B common stock, voting together as a single class, will constitute a quorum for the Proposals at the Annual Meeting. If a quorum is not present, the stockholders entitled to vote who are present in person or by proxy at the Annual Meeting have the power to adjourn the Annual Meeting from time to time until a quorum is present or represented. Unless the adjournment is for more than thirty days or unless a new record date is set for the adjourned meeting, no notice of the adjourned meeting must be given other than by announcement at the Annual Meeting. At an adjourned meeting at which a quorum is present, any business may be transacted that could have been transacted at the original Annual Meeting.

Information to Rely Upon When Casting Your Votes

You should rely only on the information contained in this Proxy Statement when casting your votes. We have not authorized anyone to give any information or to make any representations in connection with this proxy solicitation other than those contained in this Proxy Statement. You should not rely on any information or representation not contained in this Proxy Statement as having been authorized by us. You should not infer that there has not been a change in the facts set forth in this Proxy Statement or in our affairs since the date of this Proxy Statement. This Proxy Statement does not constitute a solicitation by anyone in any jurisdiction in which the solicitation is not authorized or in which the person making the solicitation is not qualified to do so or to anyone to whom it is unlawful to make a solicitation.

Changing Your Vote

You may change your proxy instructions at any time prior to the vote at the Annual Meeting. For shares held directly in your name, you may enter a new vote by using the Internet or the telephone, by mailing a new proxy card bearing a later date (which will automatically revoke your earlier voting instructions) or by voting in person at the Annual Meeting. For shares held beneficially by you in “street name,” you may change your vote by submitting new voting instructions to your broker or nominee, or by any other method instructed by your broker or nominee.

Subject to such revocation, all proxies duly executed and received prior to, or during the Annual Meeting, will be voted in accordance with the specification on the proxy card (for registered holders) or on the voting instructions submitted to such holder’s broker or nominee (for beneficial owners). If no specification is made, proxies will be voted as described in the “Counting the Vote” section for each of the proposals listed on the proxy card. As to other matters, if any, to be voted upon at the Annual Meeting, the persons designated as proxies, who were selected by the Board, will take such actions as they, in their discretion, may deem advisable.

Counting the Vote

In the election of the Common Stock Directors, each holder of Class A or Class B common stock may vote “FOR” all of the Common Stock Director nominees, may “WITHHOLD ALL” of his vote for such nominees, or may vote “FOR ALL EXCEPT” any individual nominee. In the vote to approve, on an advisory basis, the compensation of our named executive officers, you may vote “FOR” or “AGAINST” the proposal or you may “ABSTAIN.”

If you are a holder of common stock and you hold your shares directly as the stockholder of record and you sign your proxy card with no further instructions, your shares will be voted in accordance with the recommendations of the Board. The inspector of elections will tabulate the votes. If you hold your shares beneficially in street name and you sign your broker instruction card with no further instructions, under the rules of various securities exchanges, your nominee generally may vote on routine matters, but cannot vote on non-routine matters. Each of the election of our Common Stock Directors and the approval of executive compensation, on an advisory basis, is considered a non-routine matter. Therefore, if you hold your shares beneficially in street name, it is critical that you give instructions on how to cast your vote if you want it to count.

If you do not instruct your bank, brokerage firm or other nominee how to vote with respect to Proposal 1 and Proposal 2, no vote will be cast on your behalf.

With regards to each of the Proposals, shares represented by proxies that are marked “WITHHOLD ALL”, “FOR ALL EXCEPT” or “ABSTAIN”, as applicable, and shares that are not voted, will have the effect of a vote against such proposal because approval of each proposal requires the affirmative vote of the holders of a majority of the shares of Class A common stock and Class B common stock present in person or represented by proxy at the Annual Meeting.

Confidentiality

All stockholder proxies, ballots, and tabulations that identify stockholders are maintained in confidence. No such document will be available for examination, and the identity and vote of any stockholder will not be disclosed, except as necessary to meet legal requirements and allow the inspectors of election to certify the results of the stockholder vote.

Results of the Vote

We will announce the preliminary voting results at the Annual Meeting and publish final results in a Form 8-K within four business days of the Annual Meeting.

Delivery of Proxy Materials and Annual Report to Households

The Securities and Exchange Commission (the “SEC”) rules now allow us to deliver a single copy of an annual report and proxy statement to any household at which two or more stockholders reside if we believe the stockholders are members of the same family. This rule benefits both you and SBS. We believe it eliminates irritating duplicate mailings that stockholders living at the same address receive, and it reduces our printing and mailing costs. This rule applies to any annual reports, proxy statements, proxy statements combined with a prospectus, or information statements. Each stockholder will continue to receive a separate proxy card or voting instruction card.

If your household has multiple stockholders of record and your household receives a single set of proxy materials this year and you prefer to receive your own copy of the proxy materials now or in future years, please request a duplicate set by calling 1-800-579-1639, visiting www.proxyvote.com, sending an e-mail to sendmaterial@proxyvote.com, or writing to Spanish Broadcasting System, Inc., Pablo Raúl Alarcón Media Center, 7007 NW 77th Avenue, Miami, Florida 33166), ATTN: Proxy Materials/Investor Relations.

If a broker or other nominee holds your shares, you may continue to receive some duplicate mailings. Certain brokers will eliminate duplicate account mailings by allowing stockholders to consent expressly to such elimination or to consent implicitly by not requesting continuation of duplicate mailings. Since not all brokers and nominees may offer stockholders the opportunity this year to eliminate duplicate mailings, you may need to contact your broker or nominee directly to discontinue duplicate mailings to your household.

Electronic Delivery of Future Proxy Materials

Stockholders may also sign up to receive future proxy materials, including our annual reports, E-Proxy Notices, and other stockholder communications electronically instead of by mail. This will reduce our printing and postage costs, eliminate bulky paper documents from your personal files and conserve natural resources. In order to receive the communications electronically, you must have an e-mail account, access to the Internet through an Internet service provider and a web browser that supports secure connections. Visit <http://enroll.icsdelivery.com/brtas> for additional information regarding electronic delivery enrollment and follow the instructions therein.

List of Stockholders

The names of stockholders of record entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten (10) days prior to the meeting for any purpose germane to the meeting, between the hours of 9:30 a.m. and 4:30 p.m. (Eastern Daylight Time), at our principal executive offices at the Pablo Raúl Alarcón Media Center, 7007 NW 77th Avenue, Miami, Florida 33166 by contacting the Secretary of the Company.

Cost of Proxy Solicitation

We, on behalf of the Board of Directors, are soliciting proxies in connection with this Annual Meeting. We will pay for the cost of preparing, assembling, printing, mailing, and distributing these proxy materials. You will need to obtain your own Internet access if you choose to vote over the Internet. The solicitation of proxies or votes may be made by our directors, officers, and employees, who do not receive any additional compensation for these solicitation activities. We have retained Morrow & Co., Inc. to assist us in the distribution of proxy materials and the solicitation of votes. We will pay Morrow & Co., Inc. a fee of approximately \$3,000, plus out-of-pocket expenses. We will also reimburse brokerage houses and other custodians, nominees, and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to beneficial owners of stock.

Transfer Agent

Our Transfer Agent is Broadridge Corporate Issuer Solutions, Inc. All communications concerning stockholders of record accounts, including address changes, name changes, common stock transfer requirements, and similar issues can be handled by contacting Broadridge Corporate Issuer Solutions, Inc. at (877) 830-4936, or in writing to Broadridge Corporate Issuer Solutions, Inc. P.O. Box 1342, Brentwood, NY 11717 telephone: (877) 830-4936, fax: (215) 553-5402.

CORPORATE GOVERNANCE

The Board of Directors

Our business and affairs are managed under the direction of the Board. The Board meets on a regularly scheduled basis during the year to review significant developments affecting us and to act on matters requiring its approval. The Board also holds special meetings as required from time to time when important matters arise between scheduled meetings that require action by the Board. During 2015, the Board consisted of Raúl Alarcón, Joseph A. García, Manuel E. Machado, Jason L. Shrinsky, José A. Villamil, Mitchell A. Yelen (the Common Stock Directors), Alan B. Miller and Gary B. Stone (the Preferred Stock Directors). For purposes of serving on committees of the Board, Messrs. Machado, Shrinsky, Villamil and Yelen were deemed to be “independent” for 2015 under Rule 5605(a)(2) of the National Association of Securities Dealers Automatic Quotation System’s (“Nasdaq”) Listing Rules.

The Board held a total of five meetings during the year ended December 31, 2015. Each incumbent director who was a director of SBS during 2015 attended 75% or more of the aggregate number of meetings of the Board and the meetings of all committees of the Board on which he served during the period of time in which he served.

Our Board has a separately-designated standing Audit Committee established in accordance with Section 3(a)58(A) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and a Compensation Committee. The functions and membership of each committee of the Board are set forth below. Our Board does not have, and as a controlled company, the Nasdaq Listing Rules do not require us to have, a standing nominating committee.

Controlled Company Exemption

We are a “controlled company” as defined in Rule 5615(c)(1) of the Nasdaq Listing Rules because more than 50% of our voting power is held by Raúl Alarcón, our Chairman of the Board, President and Chief Executive Officer (“CEO”). As a “controlled company,” we are exempt from the requirements of Rule 5605(b), (d) and (e) of the Nasdaq Listing Rules that would otherwise require us to have (i) a majority of independent directors on the Board, (ii) compensation and nominating committees composed solely of independent directors, (iii) the compensation of executive officers determined by a majority of the independent directors or a compensation committee composed solely of independent directors, and (iv) director nominees selected or recommended to the Board for selection, either by a majority of the independent directors, or a nominating committee composed solely of independent directors. Consequently, we are exempt from independent director requirements of Rule 5605(b), (d) and (e) of the Nasdaq Listing Rules, except for the requirements under subsection (b)(2) thereof pertaining to executive sessions of independent directors and those under subsection (c) thereof pertaining to the Audit Committee. Currently, we have an Audit Committee and Compensation Committee composed solely of independent directors.

Board Leadership Structure

Raúl Alarcón serves as our Chairman of the Board, President and CEO. Our Board believes that combining the role of Chairman of the Board and CEO furthers the development and execution of the Company’s strategy, facilitates information flow between management and the Board and promotes efficiency given the size of the Company and its operations. Our Board believes that Mr. Alarcón’s service as both Chairman of the Board and CEO is in our and our stockholders’ best interests. In addition, Mr. Alarcón has extensive experience in the broadcasting industry and possesses detailed and in-depth knowledge of the issues, opportunities and challenges that we face. Our Board believes that he is, therefore, best positioned to develop agendas that ensure that our Board’s time and attention are focused on the most critical matters.

Mr. Alarcón is not an independent director. We do not have a lead independent director. We believe the governance structure we have is customary for public companies in which the lead stockholder continues to

retain a majority voting interest, and we regard Mr. Alarcón's leadership role on the Board as positive for the Company in that it fosters stability and encourages consensus-building between Board initiatives and stockholder support.

Although our Board believes that the combination of the Chairman of the Board and CEO roles is appropriate in the current circumstances, our Board has not established this approach as policy, and will routinely review its determination as circumstances dictate and from time to time.

Risk Oversight

Our Board as a whole has responsibility for risk oversight. Our Board meets regularly to discuss the strategic direction and the issues and opportunities facing our company in light of trends and developments in the broadcasting industry and general business environment. Throughout the year, our Board provides guidance to management regarding our strategy and helps to refine our operating plans to implement our strategy. The involvement of the Board in setting our business strategy is critical to the determination of the types and appropriate levels of risk undertaken by the Company. Our Board is responsible for risk oversight as part of its fiduciary duties to the stockholders and the Company, and our Board administers its risk oversight function as a whole and through its committees. For example, the Audit Committee is charged with the task of overseeing the Company's risk management process on behalf of the Board. The Audit Committee periodically meets with the Company's senior management to review the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures. In addition, the Compensation Committee considers the risks that may be affected by the Company's executive compensation programs. While the full Board, and its committees, oversee the Company's risk management, the Company's management is responsible for the implementation of the Company's risk management guidelines and policies and the Company's day-to-day risk management process. Finally, the Board believes that the combined Chairman and CEO leadership structure of the Board allows for quick and definitive assessment of issues that should be brought to the Board's attention.

Committees of our Board of Directors

Audit Committee

The Audit Committee currently consists of Messrs. Machado, Shrinsky, Villamil, and Yelen, each of whom has been determined to be independent as defined under Rule 5605(a)(2) of the Nasdaq Listing Rules and the SEC's director independence standards for Audit Committee members.

The Audit Committee has determined that Mr. Yelen qualifies as an "audit committee financial expert" as that term is defined by applicable SEC rules and regulations and serves as the Chairman of the Audit Committee. All members of the Audit Committee are able to read and understand basic financial statements, including a balance sheet, income statement, and cash flow statement. The Audit Committee held six meetings during 2015. The members of the Audit Committee, consisting of independent directors of the Board, regularly meet in executive session by themselves and, as appropriate, with the Company's independent registered public accounting firm (the "Independent Registered Public Accounting Firm"), with the Company's Internal Audit Manager and with the Company's named executive officers.

The primary purpose of the Audit Committee is to assist the Board in its oversight of the integrity of our financial statements, our compliance with legal and regulatory requirements, and the qualifications, independence, financial reporting process, and performance of the "Independent Registered Public Accounting Firm". In fulfilling its oversight responsibilities, the Audit Committee:

- reviews our annual audited and quarterly unaudited consolidated financial statements;
- reviews and approves related party transactions;

- reviews our financial reporting process and disclosure and internal controls and procedures, including major issues regarding accounting principles and financial statement presentation, and critical accounting policies to be used in the consolidated financial statements;
- reviews and discusses with management and the Independent Registered Public Accounting Firm the Company's internal controls;
- appoints, retains, oversees, and approves the fees paid to the Independent Registered Public Accounting Firm;
- reviews with the Independent Registered Public Accounting Firm the scope of the annual audit, including fees and staffing, and approves all audit and permitted non-audit services provided by the Independent Registered Public Accounting Firm;
- reviews findings and recommendations of the Independent Registered Public Accounting Firm and management's response to the recommendations of the Independent Registered Public Accounting Firm;
- discusses policies with respect to risk assessment and risk management, our major risk exposures, and the steps management has taken to monitor and mitigate such exposures; and

A full description of the Audit Committee's primary responsibilities is contained in its written charter, which is publicly available on our website at www.spanishbroadcasting.com under the tab entitled "Investor Information/Audit Committee Charter."

Compensation Committee

The Compensation Committee currently consists of Messrs. Machado, Shrinsky, Villamil and Yelen, each of whom has been determined to be independent as defined under Rule 5605(a)(2) of the Nasdaq Listing Rules, and the additional independence requirements for Compensation Committee members set forth in Rule 5605(d)(2) of the Nasdaq Listing Rules. Mr. Villamil serves as the Chairman of the Compensation Committee. The Compensation Committee held seven meetings during 2015. The members of the Compensation Committee, consisting of independent directors of the Board, regularly meet in executive session by themselves and, from time to time, with the named executive officers.

The Board has determined that all Compensation Committee members are "independent" under the Nasdaq Listing Rules listing standards. The Board has also determined that each Compensation Committee member qualifies as a "Non-Employee Director" under Rule 16b-3 of the Exchange Act and that each member, qualifies as an "outside director" under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code").

The Compensation Committee reviews our compensation practices and policies, annually reviews performance and approves the compensation for the CEO and other senior executives, and reviews and discusses with management the compensation disclosures prepared in accordance with the SEC's disclosure rules for executive compensation. In addition, the Compensation Committee:

- reviews and makes recommendations to management with respect to our overall compensation programs and policies;
- approves the adoption, amendment, and termination of incentive compensation and deferred compensation programs for our employees;

The Compensation Committee may delegate all or a portion of its duties and responsibilities to a subcommittee. It did not delegate any of its responsibilities in 2015.

A full description of the Compensation Committee’s primary responsibilities is contained in its written charter, which is publicly available on our website at www.spanishbroadcasting.com under the tab entitled “Investor Information/Compensation Committee Charter.”

The Role of Executive Officers in Determining Executive Compensation

Our CEO develops recommendations regarding executive compensation, including proposals relative to compensation for individual executive officers, using internal and external resources. These resources include such things as external data as well as data, reports and recommendations from internal staff. Recommendations from our CEO include and consider all aspects of the compensation program — philosophy, design, compliance and competitive strategy — as well as specific actions regarding individual executive officer compensation. The Compensation Committee reviews these recommendations and decides whether to accept, reject, or revise the proposals.

Our CEO and Chief Financial Officer (“CFO”) assist the Compensation Committee in understanding key business drivers included in program designs, especially incentive programs. This may include defining related measures and explaining the mutual influence on or by other business drivers and the accounting and tax treatment relating to certain awards. Our CEO and CFO also provide updates to the Compensation Committee regarding current and anticipated performance outcomes and their impact on executive compensation.

Our outside counsel, with the assistance of outside counsel for the Compensation Committee, ensures that appropriate plan documentation and approvals are received in order to keep executive pay programs in compliance with applicable laws and stock exchange listing requirements. Both our outside counsel and outside counsel for the Audit Committee and the Compensation Committee advise the Audit Committee and the Compensation Committee, and our outside counsel also advises our Board regarding compliance with appropriate governance standards and requirements.

Disclosure Committee

The Disclosure Committee, as described below, was established by us to ensure compliance with the reporting requirements established by the SEC and is made up of certain key employees of the Company. The Disclosure Committee currently consists of Joseph A. García (Senior Executive Vice President, CFO, Chief Administrative Officer and Secretary), the chairman of the committee, Albert Rodriguez (Chief Operating Officer), Alex Aleman (Senior Vice President of Operations), Roberto Castro (Vice President of Finance), Frank Soricelli (Corporate Controller), Nelson Santos (Vice President of Management Information Systems), Magalis Necega (Vice President of Human Resources), and Jeannette Menendez (SOX and Internal Audit Manager).

The general purpose of the Disclosure Committee is to design, establish and maintain a system of controls and procedures to ensure that information required to be disclosed in the reports and statements filed by us pursuant to the Exchange Act, is reported in conformity with the rules and forms of the SEC. The Disclosure Committee assists the CEO, CFO and the Audit Committee in monitoring (i) the integrity of the financial statements, policies, procedures and the internal financial and disclosure controls and risks of the Company and

(ii) our compliance with regulatory requirements, to the extent that these policies, procedures and controls may generate either financial or non-financial disclosures in our filings with the SEC.

Nominating Committee

Our Board does not have a standing nominating committee or a committee serving a similar function. As a controlled company, the Nasdaq Listing Rules do not require us to have such a committee. The Board has determined that rather than a nominating committee, it is the most appropriate body for identifying director candidates and selecting nominees to be presented at each annual meeting of stockholders.

Director Nominations

As noted above, because Raúl Alarcón, our CEO, President and Chairman of the Board, holds more than 50% of our voting power, we are deemed to be a “controlled company” under the Nasdaq Listing Rules. Because we are a controlled company, the Board has not elected to establish a separate nominating committee or formal rules governing director nominations from stockholders. The functions of evaluating and nominating director candidates are performed by the Board as a whole. The Board will, from time to time, review biographical information and background material relating to potential candidates and interview selected candidates. The Board does not currently have a charter or written policy with regard to the nomination process. We have not engaged a third party to assist us in identifying and evaluating the individuals nominated for election as directors at this Annual Meeting.

The Board has not set specific, minimum qualifications that must be met by director candidates. In deciding whether to nominate any particular candidate for election to the Board, the Board considers the appropriate skills and personal characteristics needed in light of the makeup of the current Board, including considerations of each candidate’s integrity, character, sound judgment, business acumen, professional skills and experience, knowledge of our business and industry, differences in viewpoint, education, possible conflicts of interest, the ability to act in the interests of our stockholders and other individual qualities and attributes. Further, while the Board does not have a formal diversity policy, it identifies qualified potential candidates without regard to any candidate’s race, color, disability, gender, national origin, sexual orientation, religion or creed. The Board seeks to ensure the fair representation of all stockholder interests on the Board. The Board believes that the use of these general criteria, along with a non-discriminatory policy, will best result in a Board that evidences that diversity in many respects. The Board believes that it currently maintains that diversity. The Board also considers whether a potential nominee would satisfy the Nasdaq Listing Rules’ definition of “independent” and the SEC’s definition of “audit committee financial expert.” We believe that the backgrounds and qualifications of our directors, considered as a group, provides a composite mix of experience, knowledge and abilities that allows the Board to fulfill its responsibilities.

Stockholder recommendations relating to director nominees may be submitted in accordance with the procedures set forth below under the heading “Stockholder Proposals for Next Annual Meeting.” Stockholders may also send communications to the Board in accordance with the procedures set forth below under the heading “Stockholder Communications with the Board of Directors.”

As a result of the Voting Rights Triggering Event, holders of the outstanding Series B preferred stock were entitled to elect two directors to newly created positions on our Board. On June 6, 2014, holders of the Series B preferred stock in their sole discretion elected Alan B. Miller and Gary B. Stone to the Board. The Preferred Stock Directors serve at the pleasure of the Series B preferred stockholders until such time that they resign, are replaced, or otherwise vacate the directorship or until the Series B preferred stockholders are no longer entitled to elect directors.

Stockholder Communications with the Board of Directors

Stockholders of SBS seeking to communicate with the Board, the chairs of the Audit and Compensation Committees of the Board, or with any of our other directors, should submit any communications in writing to the

following address: Spanish Broadcasting System, Inc., Joseph A. García, Chief Financial Officer, Pablo Raúl Alarcón Media Center, 7007 NW 77th Avenue, Miami, Florida 33166. The mailing envelope must contain a clear notation indicating that the enclosed letter is a “*Stockholder-Board Communication*.” Any such communication must identify the author as a stockholder, must include the stockholder’s full legal name, address, valid telephone number, the number of shares beneficially owned by the stockholder and, if applicable, the name of any specific intended recipient. We will forward any such communication to the full Board or to any individual director or directors to whom the communication is directed following its clearance through normal review and appropriate security procedures.

Code of Business Conduct and Ethics

We have a Code of Business Conduct and Ethics (the “Code of Ethics”), which is within the meaning of Code of Ethics under Item 406(b) of Regulation S-K. All of our directors, officers and employees, including our CEO and CFO, are required to abide by our Code of Ethics to ensure that our business is conducted in a consistently legal and ethical manner.

The purpose of the Code of Ethics is to deter wrongdoing and to promote (i) honest and ethical conduct, including the ethical handling of conflicts of interest; (ii) full, fair, accurate, timely and understandable disclosures in reports and documents filed by us with, or submitted to, the SEC or otherwise publicly communicated by us; (iii) compliance with applicable governmental laws, rules and regulations; (iv) the prompt internal reporting of violations to the Code of Ethics to appropriate persons identified therein and (v) accountability for adherence to the Code of Ethics. Employees are required to report any conduct that they believe in good faith to be an actual or apparent violation of the Code of Ethics.

This Code of Ethics is publicly available on our website at www.spanishbroadcasting.com under the tab entitled “*Investor Information/Code of Conduct*.” If we make substantive amendments to the Code of Ethics or grant any waiver from its provisions to our principal executive, financial or accounting officers, or persons performing similar functions, including any implicit waiver, we will disclose the nature of such amendment or waiver on our website or in a report on Form 8-K within four business days of such amendment or waiver.

Whistleblower Hotline

We have a whistleblower policy (the “Whistleblower Policy”), which establishes procedures for (i) the receipt, retention and treatment of complaints received by our company regarding accounting, internal accounting controls or auditing matters, and (ii) the confidential and anonymous submission by our employees of concerns regarding questionable accounting or auditing matters.

If you wish to contact our Audit Committee to report complaints or concerns relating to the financial reporting of our company, you may do so by using the various alternatives provided by us, such as (i) writing directly to the Chairman of the Audit Committee, c/o SOX and Internal Audit Manager, Spanish Broadcasting System, Inc., Pablo Raúl Alarcón Media Center, 7007 NW 77th Avenue, Miami, Florida 33166, (ii) confidentially and anonymously by calling a toll free telephone “hotline” operated by an independent party at (866) 789-1229, (iii) completing a confidential and anonymous report at www.tnwinc.com/webreport, (iv) sending a confidential facsimile to either (770) 409-5008 or 1-800-748-6159 or (v) sending a confidential email to reportline@tnwinc.com. A copy of our Whistleblower Policy is available on our Internet website at www.spanishbroadcasting.com under the tab entitled “*Investor Information/Ethics and Compliance Hotline*.”

Board of Directors Attendance at Annual Meeting of Stockholders

Although we do not have a formal policy requiring director attendance at our Annual Meeting, all directors and all nominees for election as directors are encouraged to attend the Annual Meeting. Last year, all of our incumbent directors, Common Stock Director nominees and Preferred Stock Directors, attended our Annual Meeting, either in person or telephonically.

BOARD OF DIRECTORS

The Board of Directors currently consists of eight members, six Common Stock Directors and two Preferred Stock Directors. Each of the Common Stock Directors is standing for reelection to hold office until the next Annual Meeting of Stockholders. Each nominee elected as a Common Stock Director will continue in office until his successor has been elected and qualified, or until his earlier death, resignation, or retirement. The Board has designated as Common Stock Director nominees: Raúl Alarcón, Joseph A. García, Manuel E. Machado, Jason L. Shrinsky, José A. Villamil and Mitchell A. Yelen, each of whom currently serves as a member of the Board. The Preferred Stock Directors serve at the pleasure of the Series B preferred stockholders until such time that they resign, are replaced, or otherwise vacate the directorship or until the Series B preferred stockholders are no longer entitled to elect directors.

Other than the proposals described in this Proxy Statement, the Board is not aware of any other matters to be presented for a vote at the Annual Meeting. If you grant a proxy by telephone, Internet, or by signing and returning your proxy card, either of the persons named as proxy holders — Raúl Alarcón, our Chairman, President and CEO, or Joseph A. García, our Senior Executive Vice President, CFO, Chief Administrative Officer (“CAO”) and Secretary — will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If any of our nominees are unavailable as a candidate for director, the above-named proxy holders will vote your proxy for another candidate or candidates as may be nominated by the Board.

To further assist our stockholders in understanding the elements of compensation disclosed in the Summary Compensation Table, the material terms of our agreements with our named executive officers are described below.

The Compensation Committee seeks to ensure that our executive compensation aligns with our corporate strategies, business objectives and the long-term interests of our stockholders and helps attract, retain and motivate the key personnel it needs to conduct its business. Compensation levels are intended to fairly compensate the Company's named executive officers. We use base salary to provide each named executive officer a fixed amount of money during the year with the expectation that he will perform his job to the best of his ability and in the best interests of the Company. We also award discretionary performance and contractual bonuses to our executives when they are earned or warranted. We provide executive officers with limited personal benefits and perquisites that are intended to enhance the attraction and overall retention value of the compensation program. The Compensation Committee believes that severance benefits help retain qualified executives and are an important component of a competitive compensation program.

Joseph A. García

The compensation of Mr. García, our Senior Executive Vice President, CFO, CAO and Secretary, in 2015 was determined by the amended and restated employment agreement we entered into with him on August 4, 2008, as amended on April 19, 2011 (the "García Employment Agreement"). The initial term of the García Employment Agreement is for three years and will automatically renew for additional one-year periods, unless either party gives notice at least 60 days prior to the end of the then-current term.

Base Salary. On August 4, 2008, pursuant to the García Employment Agreement, Mr. García's annual base salary was increased to \$525,000. The base salary is subject to an annual review and may be increased from time to time as recommended by the CEO and approved by the Compensation Committee. The Compensation Committee did not increase Mr. García's base salary in 2015.

No bonus is guaranteed for performance that fails to meet the threshold level of performance. In the event that the Company is required to prepare an accounting restatement due to material noncompliance with any financial reporting requirement under the Federal securities laws, Mr. García is required to reimburse the Company for the amount of any annual bonus or any other incentives paid to him based on the financial results that are materially restated downward. In 2015, Mr. García did not receive a discretionary performance bonus.

Mr. García is entitled to receive executive health insurance benefits provided to all of our executives, such as life and long-term disability insurance for himself and health insurance for himself and his family. Elements of Post-Termination Compensation

We do not have a practice of providing retirement benefits, including any supplemental executive retirement plans, to our NEOs. Messrs. Alarcón and García have entered into employment agreements with us in which these agreements each contain certain post-termination compensation, such as severance payments or change-in-control provisions. In addition, we retain the discretion to utilize the offer of severance and/or change-in-control protection as an incentive in hiring our NEOs.

Pension Benefits

We do not provide pension arrangements or post-retirement health coverage for our executives or employees. Our executive officers are eligible to participate in our 401(k) contributory defined contribution plan.

Nonqualified Deferred Compensation

We do not provide any nonqualified defined contribution or other deferred compensation plans.

Potential Payments upon Termination or Change in Control

In accordance with the rules of the SEC, the following table presents our estimate of amounts payable to the NEOs, under our 1999 Stock Option Plan, Omnibus Plan and their employment agreements, assuming that each of the indicated triggering events discussed in the table below occurred on December 31, 2015, and the equity awards under the 1999 Stock Option Plan and Omnibus Plan were neither assumed by a successor corporation nor replaced with a cash retention program.

The following table describes and quantifies the benefits and compensation to which the NEOs would have been entitled to under their employment agreements and other existing plans and arrangements if their employment had terminated on December 31, 2015, based on their compensation and services on that date. The amounts shown on the table do not include payments and benefits available generally to salaried employees upon termination of employment, such as accrued vacation pay, distribution from the 401(k) plan, or any death, disability or health benefits available under broad-based employee plans. Post-termination benefits vary by executive and type of termination.

Potential Payments Upon Termination or Change of Control

Albert Rodriguez						
Without Cause	92,308(e)	—	—	—	—	92,308

- (a) Under Mr. Raúl Alarcón's new employment agreement, he would not be entitled to any severance payments were his employment terminated as of December 31, 2015.
- (b) Represents two times the aggregate base salary payments which the executive would have received during a one-year period.
- (c) Represents the aggregate base salary payments of the greater of the remainder of the term or 24 months, which the executive would have received if such termination had not occurred, provided we receive a release in a form acceptable to us.
- (d) Represents the aggregate value of the continuation of executive health insurance benefits for up to 12 months after such date of termination.
- (e) In the event that the employment is terminated without cause, in exchange for a release in a form acceptable to us, Mr. Rodriguez shall receive one week severance of his then annual base salary for every year served, as per Company policy.

While we believe that the amounts shown above and the assumptions upon which they are based provide reasonable estimates of the amounts that would have been due to the NEOs in the event that any of the circumstances described above had occurred on December 31, 2015, the actual amounts due to the NEOs upon a triggering event will depend upon the actual circumstances and the employment agreements.

Change of Control Triggering Event

A change of control for purposes of Mr. García's employment agreement is a change of control as defined under the Omnibus Plan. Pursuant to the Omnibus Plan, a change of control means a change in the ownership of the voting power or effective control of the Company, or in the ownership of a substantial portion of the assets of the Company within the meaning of Section 409A of the Internal Revenue Code.

Non-Competition Provision

Mr. García has agreed that during his employment term and for a period of twelve months thereafter, he would not engage in certain competitive activities with us, including solicitation of employees or customers and interference with the relationship between us and any such person. In addition, he has also agreed to maintain the confidentiality of certain proprietary information during the term of his employment and thereafter.

2015 DIRECTOR COMPENSATION

Overview of Director Compensation and Procedures

The Compensation Committee may review the level of compensation of our non-employee directors periodically. Directors who are also our employees do not receive cash or equity compensation for service on the Board or any committee thereof. To determine how appropriate the current level of compensation for our non-employee directors is, SBS has historically obtained data from a number of different sources including:

- publicly available data describing director compensation in peer companies;
- survey data collected by our human resources department; and
- information obtained from other companies.

Director Compensation

For 2016, annual fees paid to non-employee independent directors are \$25,000 for service on the Board; \$50,000 for service on the Audit Committee; and \$50,000 for service on the Compensation Committee. All directors are reimbursed for the out-of-pocket expenses they incur in connection with their service. Our non-employee independent directors are also eligible to receive stock options under our Omnibus Plan. The following table summarizes total compensation earned by each non-employee director during 2015.

<u>Name (a)</u>	<u>Fees Earned or Paid in Cash (\$)</u>	<u>Option Awards (\$ (b))</u>	<u>All Other Compensation (\$)</u>	<u>Total (\$)</u>

Stock Option Plan for Non-Employee Directors

We adopted a separate option plan for our non-employee directors, but this plan terminated on September 26, 2009. The terms of this plan provided that the Board had the discretion to grant stock options to any non-employee director. An aggregate of 30,000 shares of Class A common stock were reserved for issuance under this option plan. The plan was administered by the Board. Although the plan has terminated, the expiration of each option granted occurs 10 years after the stock option grant date. Several Directors currently have options outstanding that were granted under this plan.

Under the plan, any non-exercisable options will immediately vest and become exercisable upon a change in control of the Company. If a non-employee director ceases to be a member of the Board due to death, retirement or disability, all his unvested options will terminate immediately and all his exercisable options on such date will remain exercisable based on the plan terms. If a non-employee director's service as a director is terminated for any reason other than the preceding, all his unvested options will terminate immediately and all his exercisable options on such date will remain exercisable for thirty days.

2006 Omnibus Equity Compensation Plan

On July 18, 2006, our stockholders approved the Omnibus Plan. The Board previously approved the Omnibus Plan at a meeting held on May 3, 2006, which was subject to stockholder approval. An aggregate of 350,000 shares of Class A common stock have been reserved for issuance under this plan.

Stockholder approval of the Omnibus Plan allows (i) the compensation attributable to grants under the Omnibus Plan to meet an exception to the \$1,000,000 deduction limit under Section 162(m) of the Code, (ii) incentive stock options issued under the Omnibus Plan to meet the requirements of the Code, and (iii) the Omnibus Plan to meet the Nasdaq Stock Market listing requirements.

The Omnibus Plan provides that grants may be made to participants of any of the following: (i) incentive stock options, (ii) nonqualified stock options, (iii) stock appreciation rights ("SARs"), (iv) stock units, (v) stock awards, (vi) dividend equivalents, and (vii) other stock-based awards. All employees, members of the Board, and all non-employee directors are eligible to participate. The Compensation Committee approves those individuals who will participate in the Omnibus Plan.

Limitations on Directors' and Officers' Liability

Our third amended and restated certificate of incorporation has a provision which limits the liability of directors to us to the maximum extent permitted by Delaware law. The third amended and restated certificate of incorporation specifies that our directors will not be personally liable for monetary damages for a breach of fiduciary duty as a director. This limitation does not apply to actions by a director or officer that do not meet the standards of conduct which make it permissible under the Delaware General Corporation Law for SBS to indemnify directors or officers.

Our amended and restated by-laws provide for indemnification of directors and officers (and others) in the manner, under the circumstances and to the fullest extent permitted by the Delaware General Corporation Law, which generally authorizes indemnification as to all expenses incurred or imposed as a result of actions, suits or proceedings if the indemnified parties acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of SBS. The directors elected by the common stockholders have entered into an indemnification agreement with us that provides for indemnification to the fullest extent provided by law. We believe that these provisions are necessary or useful to attract and retain qualified persons as directors and officers. We currently have directors' and officers' liability insurance that provides for coverage of up to \$40.0 million.

Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of the Independent Registered Public Accounting Firm

In accordance with the Audit Committee Charter, the Audit Committee is responsible for appointing and overseeing the work of the Independent Registered Public Accounting Firm. The Audit Committee has not established or adopted pre-approval policies and procedures for the pre-approval of all audit and permissible non-audit services provided by the Independent Registered Public Accounting Firm. The Audit Committee may, however, adopt pre-approval policies and procedures in the future if it deems pre-approval policies and procedures to be appropriate for us. The Audit Committee did not rely in 2014 or 2015 upon the exception to the pre-approval requirements provided in 17 C.F.R 210.2-01(c)(7)(i)(c). The Audit Committee provided its prior approval for all audit and non-audit related services reflected in the above table. The Audit Committee reviewed the provision of all non-audit services by the Independent Registered Public Accounting Firm and concluded that the provision of these services was compatible with maintaining the Independent Registered Public Accounting Firm's independence.

Before engaging the Independent Registered Public Accounting Firm for the audit of the 2015 financial statements, the Independent Registered Public Accounting Firm submitted to the Audit Committee for approval a detailed description of services it expected to render to the Company during that year for each of the following categories of services:

- Audit services include audit work performed in the preparation of the consolidated financial statements, as well as work that generally only the Independent Registered Public Accounting Firm can reasonably be expected to provide, including comfort letters, statutory audits, and attest services and consultation regarding financial accounting and/or reporting standards.
- Audit related services are for assurance and related services that are traditionally performed by the Independent Registered Public Accounting Firm, including due diligence related to mergers and acquisitions, employee benefit plan audits, and special procedures required to meet certain regulatory requirements.

- Tax services include all services performed by the Independent Registered Public Accounting Firm's tax personnel except those services specifically related to the audit of the financial statements, and includes fees in the areas of tax compliance, tax planning, and tax advice.
- Other services are those services not captured in the other categories.

Before engagement, the Audit Committee pre-approved these services by category of service. The fees are budgeted and the Audit Committee requires the Independent Registered Public Accounting Firm to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the Independent Registered Public Accounting Firm for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the Independent Registered Public Accounting Firm.

The Audit Committee has appointed Crowe to serve as our Independent Registered Public Accounting Firm for the fiscal year ending December 31, 2016. The Company expects a representative of Crowe to be present at the Annual Meeting, to be available to respond to appropriate questions and to make a statement if they desire to do so.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Approval Policies and Procedures

In accordance with our Audit Committee charter, our Audit Committee is responsible for reviewing and approving the terms and conditions of all related party transactions in accordance with the Nasdaq Listing Rules. Our Audit Committee also reviews and approves our Audit Committee Report included in the Proxy Statement. In determining whether to approve or ratify a related party transaction, the Audit Committee takes into account, among other factors it deems appropriate, whether the transaction is on terms no less favorable to us than terms generally available from an unrelated person under the same or similar circumstances, and the extent of the related person's interest in the transaction. An Audit Committee member cannot participate in any approval or ratification of a related party transaction in which such member is a related person, other than to provide all material information regarding the transaction to the Audit Committee.

PROPOSAL 1
ELECTION OF COMMON STOCK DIRECTORS

At the Annual Meeting, holders of Class A and Class B common stock will be asked to elect Raúl Alarcón, Joseph A. García, Manuel E. Machado, Jason L. Shrinsky, José A. Villamil, and Mitchell A. Yelen, each of whom currently serves as a member of the Board, to the Board of Directors until his successor has been elected and qualified, or until his earlier death, resignation, or retirement.

If you submit your proxy via the Internet, by telephone or by mail, your shares will be voted for the election of the six nominees for Common Stock Director recommended by the Board of Directors, unless you mark the proxy in such a manner as to withhold authority to vote. The named proxies will vote all shares represented by proxy for the nominees for these vacancies, except to the extent authority to do so is withheld. Stockholders may withhold authority from the named proxies to vote for the entire slate of directors as nominated or may withhold the authority to vote for any individual nominee by marking the box under the “WITHOLD ALL” or “FOR ALL EXCEPT” column, respectively, adjacent to the name(s) of the appropriate director(s) via the Internet or on the attached proxy card, or by indicating by telephone that authority is withheld. Withholding authority to vote for one or more of the nominees will result in those nominees receiving fewer votes. If any nominee for any reason is or becomes unable or unwilling to serve, all shares represented by proxy will be voted at the Annual Meeting by the named proxies for the person, if any, as shall be designated by the Board of Directors to replace the nominee. Please see “Stockholders Entitled to Vote at the Annual Meeting — Shares Held with a Broker, Bank, Trustee or Other Nominee” for information on how your shares will be voted in the absence of your instructions if you hold shares through a bank, broker or other nominee. Each nominee has agreed to serve as a director if elected, and the Board of Directors has no reason to believe that any nominee will be unavailable to serve as a director.

Vote Required

To be elected as a director at the Annual Meeting, each candidate for election must receive a majority of the votes cast by the stockholders present in person or represented by proxy at the Annual Meeting.

Recommendation of the Board of Directors:

THE BOARD OF DIRECTORS RECOMMENDS THAT EACH HOLDER OF CLASS A COMMON STOCK AND EACH HOLDER OF CLASS B COMMON STOCK VOTE “FOR” THE ELECTION OF EACH OF THE NOMINEES FOR DIRECTOR LISTED BELOW.

- Raúl Alarcón
- Joseph A. García
- Manuel E. Machado
- Jason L. Shrinsky
